Hi Isaac,

Attached is the evidence of my income for your allowance application. For the period 1st April 2019 until 31st March 2020.

I actually worked between 1st april 19 and 4th July 19. Then I moved to Papamoa Beach and I have not started employment.

I added together the income amounts excluding gst to arrive at \$40,620, which is written into the form as Parent 2.

Kind Regards
Mum (Claire Paki)
